If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u

If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u

So surreal, so surreal  
So surreal that it can't be real  
I'm just so afraid of banana peels  
A wandering eye does not have sex appeal

I'm 99 and a half light years away  
And they expect me to be okay  
They see me in some other light  
But who told them that I wasn't alright?

Get with it said the prince to the be  
Don'tcha realize that they can't see  
That's cool, I'm in a tranquil state  
But I can't see why they don't calculate

Prince how come your eyes look blue?  
If only ya had my eyes to look through  
Mellowin out is what ya need to do  
Huh, only if I wuz u

If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u

I guess I'm supposed to go crazy is that what it is  
Tryin' to pass this quiz  
Mirror, mirror whatcha got for me?  
Since I'm you and you're just so me

I know they've lost themselves instead  
I know that destiny's face is red

I can see my rainbow's real sweet  
But for that quick quiz I gotta crib sheet

So what's the matter you? Why do ya look sad?  
Man this world doesn't look so bad  
What's the deal with the heal of a shoe  
Why's an ankle such a red kangaroo

It all depends on the way I think  
A watcher's point of view don'tcha think  
There'd be a time where I wouldn't have a clue  
But only if I wuz u

If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u

Poor, poor aristocrat  
Shaken down by a pussycat  
Thought he was a strong believer in the now  
He thought he was up so he got shook down

Deja vu, even I myself  
That's why educated guesses I think might help  
But a flat out reading, I don't see how  
And things we gotta deal with right now

Like the fact that my complexion may offend you  
Environment's protection may contend you  
There's millions in the quest for synthetic dreams  
It's now extreme and pullin' at the seams

I don't wait so it don't bother me  
But please forgive me if I act rude  
Save the bass for another part of me  
But only if I wuz u

If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u

if I wuz u, I think I'd find my way into the stars  
if I wuz u, I think I'd let me out of my jar  
if I wuz u, I don't think that I could ever be real  
if I wuz u, I think it'd vary on the way that I feel  
If I wuz u

If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u

If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u

If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u

If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u  
If I wuz u, if I wuz u, if I wuz u
