[Incomprehensible]

It's all good baby  
Don't worry about it  
'Cause I've got all the love  
You'll ever need

Hey, it's all good baby  
Don't stress on it  
'Cause I've got all the love  
You'll ever need

Surely I've had so much pain from you  
You make me regret my lifelines  
360 degrees of love kills hatred  
To be your hate in the making  
Fascinates my why tries

Dangerously I couldn't care less for you  
I got enough hatred to last me lifetimes  
Insufficient dreams of love  
Just make me wait for you to hate me  
Disintegrate my blue skies

It's all good baby  
Don't worry about it  
'Cause I've got all the love  
You'll ever need

Hey, it's all good baby  
Don't stress on it  
'Cause I've got all the love  
You'll ever need

Surely I've had so much pain from you  
You make me regret my lifelines  
360 degrees of love kills hatred  
To be your hate in the making  
Fascinates my why tries

Dangerously I couldn't care less for you  
I got enough hatred to last me lifetimes

Insufficient dreams of love  
Just make me wait for you to hate me  
Disintegrate my blue skies

It's all good baby  
Don't worry about it  
'Cause I've got all the love  
You'll ever need

Hey, it's all good baby  
Don't stress on it  
'Cause I've got all the love  
You'll ever need

You'll ever need, baby  
You'll ever need, baby

Pseudo empathy framed in gold for you  
My confusion comes in life size  
Transmitting live from inner space  
Just give me love and I will make it  
It irritates my new eyes but

It's all good baby  
Don't worry about it  
'Cause I've got all the love  
You'll ever need

Hey, it's all good baby  
Don't stress on it  
'Cause I've got all the love  
You'll ever need

It's all good baby  
Don't worry about it  
'Cause I've got all the love  
You'll ever need

Hey, it's all good baby  
Don't stress on it  
'Cause I've got all the love  
You'll ever need

It's all good baby  
Don't worry about it  
'Cause I've got all the love  
You'll ever need

Hey, it's all good baby  
Don't stress on it  
'Cause I've got all the love

You'll ever need

It's all good baby  
Don't worry about it  
'Cause I've got all the love  
You'll ever need

Hey, it's all good baby
