Shhh, I hear my people callin me,  
"Where is he? Where is he where is he?  
Where's the PMD?"  
I'm layin low, strapped with ammo  
Set for funk mode, ask your man though  
Who raps rhymes hold it steady - like a pilot in the  
cockpit  
Parrish Smith go out - nah that's bullshit  
On another nigga for tryin to take mines, catch the  
flatline  
Comin through time to breathe on the mainline  
Airtight, no time to stall, you tell me..

"Yo nigga respect mine, or anger the tec-9  
CHK-CHK-POW, move from the gate now" -> Raekwon

..

"Yo nigga respect mine, or anger the tec-9  
CHK-CHK-POW, move from the gate now" -> Raekwon

[PMD]

Some say the Wu fly, what's a rap star?  
A nigga who get props and he's clocked like radar  
Can't fake moves - people lookin at cha  
Twenty-four oh seven - slip and they gat cha  
Snatch that behind up - clip that ass with handcuffs  
Jail cell for the niggaz who like to get rough  
And most niggaz get rough, cause in beef we trust  
Another man damn kid you smokin angel dust  
I'm snatchin props, blastin niggaz like RoboCop  
Catch the speed-knot, tryin to mic block Mic Doc  
Chill Hobbes - I told you I roll with the Hit Squad  
Stomp like the Gobots  
But some niggaz ain't hearin me so I make it clearer  
see  
You can't fade the nigga who flips words - like Swayze  
And Audi 5000, still housin, I'm out an'..

"Yo nigga respect mine, or anger the tec-9

CHK-CHK-POW, move from the gate now" -> Raekwon

..

"Yo nigga respect mine, or anger the tec-9  
CHK-CHK-POW, move from the gate now" -> Raekwon

[PMD]

So turn this mic off so I can kick the wicked shit  
Type of wicked shit, that make niggaz grab clips  
But hold it chill - cause a jail cell's bullshit  
Must grab the head - no time to be slippin jack  
The world done shifted - niggaz can't see that  
But some do - and they make power moves  
Playin for life - can't lose, too many dues paid  
Mayday, in the game everyday tryin to find a better  
way  
Yet the world keeps slippin  
So I keep movin not tryin to lose an'  
Big up to all posse plus Crips and crews in  
Every ghetto - keep your shit thorough  
And if they ask have you seen ? "Hell no"

..

"Yo nigga respect mine, or anger the tec-9  
CHK-CHK-POW, move from the gate now" -> Raekwon

..

"Yo nigga respect mine, or anger the tec-9  
CHK-CHK-POW, move from the gate now" -> Raekwon
