Ooo woo hoo (repeat)

She dreams maybes that drive me crazy for so long, so long.

She's got downtown so much sunshine, that I can't kiss
dismally and why is she divine?

She dreams maybes that drive me crazy, that drive me
crazy for so long, so long.

Woo oo hoo (repeat)

She dreams maybes and I've been waiting for so long,
so long.

She's understanding, so undemanding, she shakes
hands with circumstance and she don't wonder why.
she dreams maybes that drive me crazy, that drive me
crazy for so long, so long

Woo ooo hoo (repeat)

She wants me, right? I don't want perfectly or I might
lose this life

She wants me right? I cant be nice

She dreams maybes that captivate me for so long, so
long

She dreams maybes that drive me crazy, that drive me
crazy for so long.

So long, for so long, for so long, for so long, for so
long.....
