Sonchienne, tell me about mankind  
And all of my lifetimes with you  
(All my lifetimes with you)  
Day glow, talk to me about rainbows  
(Day glow)  
And all of my lifetimes with you

Promise, you will always be cherished  
And all of my lifetimes with you  
(All of my lifetimes with you )  
Earth's Church, tells me I've no worth  
(No worth)  
Nor any of my lifetimes with you

But you said you'd show me  
All the different sides to you  
I'll try and understand you  
'Cause when you're lied to, like I'm lied to  
All that can connect you, is your love

Sonchienne, tell me about mankind  
And all of my lifetimes with you, ooh, ohh

Bright skies, you cry like I cry  
In all of my lifetimes with you  
(All of my lifetimes)  
Light be, everything inside me  
Through all of my lifetimes with you

But I fear they've no idea  
All the other minds in you, thinking thoughts for you  
When you live not like they do  
All that can connect you is your love  
(Love)

Sonchienne, tell me about mankind  
(Sonchienne, ohh)  
And all of my lifetimes with you  
(All my lifetimes with you)

You cry like I do, show me what it's like in you  
(You cry like I do, ohh)

'Cause I know why they hate you  
You know one more than they know them  
All that can connect you is your love  
(Love)

Ohh, Sonchienne, tell me about mankind  
(Sonchienne)  
And all of my lifetimes with you  
(All my lifetimes with you)  
And all of my lifetimes with you  
(All of my lifetimes with you)

With all of my lifetimes with you  
(All of my lifetimes with you)  
And all of my lifetimes with you  
(All my lifetimes with you)  
And all of my lifetimes with you  
(All of my lifetimes with you)
