Falling leaves and broken hearts
I believe you are the same, oh
Have you noticed streaks and blurs?
Interrupting all the pain

Perish the thought
Of leaving you and living blind
Ask me if I killed the questions
Of why the realm has lost it's shine, shine

So when it's raining cats and dogs
I won't complain and I won't mind, no no
When it's raining cats and dogs
I'll understand the reasons why, oh

If I'm looking for you
And the pictures start to fade
Pushing through the clouded hearts
Still perplexed at what they've made, oh oh

Reading the words
That describe my frame of mind
Pull me through the fears of nowhere
Leave me waiting for the rhymes

When it's raining cats and dogs
I know, it won't be no surprise, no surprise
When it's raining cats and dogs
I kinda wonder if I'll cry, will I'll cry?

When it's raining cats and dogs
When it's raining cats and dogs

If you're living for the love
It's always troubles that you find
[Incomprehensible] give you dreams for nothing
You're still reluctant to read the signs, signs

So, when it's raining cats and dogs
I won't complain and I won't mind, no no
When it's raining cats and dogs
I'll understand the reasons why, reason why

When it's raining cats and dogs
I know, it won't be no surprise, no surprise
When it's raining cats and dogs
I kinda wonder if I'll cry, will I'll cry?

When it's raining cats and dogs
When it's raining cats and dogs
When it's raining cats and dogs
