Get up in the party yea yea you know it's the real thing
Haters getting bucked because the know that they can't
get in
Yea I learned from the best yea I no I no I did but if you
ask me imma tell you what I just sayd lol 108 doing my
own thing I was changing my mood ring everbody was
doing me
Hit the dance floor, hit the hit the dance floor it's wat all
my haters say if you just hit the dance floor
Back off on my feet liky who is dis and they all jumping
up and saying hit the dance floor cuz we dougie we
drop and we hit it to the floor we know what we doin if
you hit the dance floor theses haters don't knw me and
they still think they can handle they havwe no room to
be sioning and be rockin I learned form the best there
goese my litle song see you in the future everybody
wants it all I know you can see me if you don't then I
understamd me and you is done what don't youy just
umderstand we hit the dance floor yea you do under
stand my baby litle boi and my babay little gurl don't
know me you can see I know who you are are not the
bestest you can't recogniz me from you understand
where I came from you know who I understand you
