Oh so sad and oh so sorry
So unkempt and so unloved
Oh so lost and oh so lonely
So forgotten, so untouched

Pornography exposed
Innocence unrobed
Masturbate your emptiness
Fornicate your selfishness
For the pleasure for the knife
Sell the treasure, sell your life
For your pleasure, for your knife
Steal the treasure, steal your life

Battered, beaten, slowly taken
Souls they're sucking, unforsaken
Emmpty headed, empty hearted
They are feeding for affirmation

Pornography exposed
Innocence unrobed
Masturbate your emptiness
Fornicate your selfishness
For the pleasure for the knife
Steal the treasure, steal your life
For your pleasure for your knife
Sell the treasure, sell your life

Pornography exposed
Innocence unrobed
Masturbate your emptiness
Fornicate your selfishness
For the pleasure for the knife
Steal the treasure, sell your life
