We know it's sick, we know it's wrong
(We know it's wrong)
And our obsessions always rule
(They always rule)
But our demons are way too strong
(We know it's sick, we know it's wrong).

You are my sickness, my sickness,
I just can't kill.
You are my sickness, my sickness,
That's hidden still,
You are my sickness, my sickness and
I'm yours too, I'm yours too,
I'm yours too now.

Our dance of love's a dance of hate
(A dance of hate)
So alive & so dead with you
(So dead with you)
Our love is really a disease
(Our dance of love's a dance of hate)
Really a disease.

The more we win, the more we die
(The more we die)
Sick of your tricks, sick of your lies,
(Sick of your lies)
You are my Drug, you are my death
(You are my Drug, you are my death)
You are my death.
