Sometime We All Have To
Feel More
Sometimes We All Need To Open
The Door
Sometimes We All Have To Head
Back Home
Sometime We All Got To
Walk Alone

We Are All Made Of Something Special

Sometimes The World's Calling
Out Your Name
Sometimes We All Got To Light
The Flame
Sometimes You Just Need To
Break Away
Sometimes We All Have To Ask

To Be Saved

We Are All Made Of Something Special
You Know You Are You Really Are

Sometimes The Train Is On The
Wrong Track
Sometimes You've Got To Let
It Crash
Let The Tears Come Come To
Open Arms
Let It All Out
How Does It Feel...

We Are All Made Of Something Special
You Know You Are You Really Are
