You messed around enough after all that we've been
through
I've had enough of your games
Oh what the hell you thinkin tryin' to play
Cry baby
Cry baby
I won't cry baby
My tears are dry baby
And you wanna know why baby
(x2)
Was it worth it is she perfect
I don't care cuz I'm over it
Uh uh uh over it
Uh uh uh over it
(x2)
Over it
I'm over it
Over it
I'm over it
I'm moving on so baby tell me why won't you
Cuz coming back is something that I just can't do
I'm better now
It's my time
No looking back cuz without you I'll be fine
Cry baby
Cry baby
I won't cry baby
My tears are dry baby
And you wanna know why baby
(x2)
Was it worth it is she perfect
I don't care cuz I'm over it
Uh uh uh over it
Uh uh uh over it
(x4)
Did ya think that I'd be crying over you
No no, don't think so, oh no
You don't deserve me boy
Did you think I'd be running back to you
No no, I don't think so, oh no
I'm over it

Was it worth it is she perfect
I don?t care cuz I?m over it
Uh uh uh over it
Uh uh uh over it
(x4)
