Yeah, yea yea
Yeah
I'm so intoxicated
I feel supernatural
So illuminated
So unpredictable
I'm comin' for you

Turn my key
Wash my sins for me
Breathe my air
Shatter me, shatter me
Break my bones
You cut me open
Dig my hole
Bury me, bury me

Yeah, yea yea
Yeah
I'm so fascinated
You're so intellectual
So sophisticated
So unpredictable
I'm comin' for you

Turn my key
Wash my sins for me
Breathe my air
Shatter me, shatter me
Break my bones
You cut me open
Dig my hole, yo
Bury me, bury me

I've got to be free
Free to fall down
Down to the earth
I know what I want
What I want is truth
The truth is in you
The truth is in you

Yeah, yea yea
Yeah
So emancipated
And extra special
So impermeated
So unpredictable
I'm comin' for you

Turn my key
Wash my sins for me
Breathe my air
Shatter me, shatter me
Break my bones
You cut me open
Dig my hole, yo
Bury me, bury me

I've got to be free
Free to fall down
Down to the earth
I know what I want
What I want is truth
The truth is in you
The truth is in you

Bury me, bury me
The truth is in you
Bury me, bury me
