I want you to spread your legs
and cum bitch cum
I want you to
Cum bitch cum
I want you to
Cum bitch cum

I want you to grab your ankles
Spread your legs
and cum bitch cum
I want you to
Cum bitch cum
I want you to
Cum bitch cum
I want you to say my name when you feel this pain

In my life
Never look back
Never do that
Stay focused
Stay on track

Gotta fuck hos
Gotta hit it from the back
Gotta get hi
Hit hydro
Never crack

I fuck that pussy
I gotta get it wet
I play with the pussy
I bite down on the neck

Bitch, I got no respect
Your hair gets pulled
Your pussy wrecked

You're a slut
I don't care
Face in the pillow
Ass up in the air

I spank you black and blue
Them sluts at the club'll be like
"What happened to you?"

Push it
I know you won't complain
Push it
I know you know my name
Push it
You don't need to do a thang
Why don't you just spread your legs
and cum bitch cum?

I want you to
Cum bitch cum
I want you to
Cum bitch cum

I want you to
Grab your ankles
Spread your legs
and cum bitch cum
I want you to
Cum bitch cum
I want you to
Cum bitch cum
I want you to
Cum bitch cum
Say my name when you feel this pain

You wanna tell me how to sing and act
Fuck that
Try to tell a nigga what he should do
Well fuck you
You skinny with a 36D
Can fuck me
No, I'm not your boyfriend, bitch
You can't trust me

My God
I just got lucky
She's so horny
She wanna fucky sucky
Yeah, that bitch so slutty
Out in the club makin out with her buddies
Out in the club and dressed all slutty

I wanna bust my nut
You wanna love me
I wanna suck your tits

You wanna hug me
She so fine
I'm so ugly

Push it
I know you won't complain
Push it
I know you know my name
Push it
You don't need to do a thang
Why don't you just spread your legs
and cum bitch cum?

I want you to
Cum bitch cum
I want you to
Cum bitch cum
I want you to
Grab your ankles
Spread your legs
and cum bitch cum
I want you to
Cum bitch cum
I want you to
Cum bitch cum
I want you to
Say my name when you feel this pain

Front back
Side to side
Front back
Side to side
Front back
Side to side
Front back
Side to side
Front back
Side to side

Destroy the pussy
Destroy
Destruction
Destroy the pussy
Destroy
Destruction
Destroy the pussy
Destroy
Destruction
Destroy the pussy
Destroy
Destruction

FUCK
FUCK
FUCK
FUCK

Yeah
Fuck you
PUSSY

I don't give a fuck if it's in the back of the bus
or up in the bed
The back of your hed will get fed
I can't wait to see your face
I can't wait to grab that waist
and just rape you

I take you on a drive-by
Fuck front
Front back
Fuck side to side
Eyes roll back
When I break ya spine

Make love?
Fuck that!
I make a slut cry
Fuck that
I make a slut cum nine times

Then I say
"Can we make more babies?"
"Can I get that pussy from behind?"
"Can I make these pussy lips smoke
Like clubs in the 80s?"

Push it
I know you won't complain
Push it
I know you know my name
Push it
You don't need to do a thang
I want you to spread your legs
and cum bitch cum?

I want you to
Cum bitch come
I want you to
Cum bitch cum
I want you to
Grab your ankles

Spread your legs
and cum bitch cum
I want you to
Cum bitch cum
I want you to
Cum bitch cum
Say my name when you feel this pain
Bitch
