The industry is dumbing down the nation  
They dope up the youth  
So plug up your ears  
While phony punk bands cry about relationships  
We forget our roots  
And run on patriotic fears

I was so weak  
I let them roll all over me  
But now I'm fighting just to get back my name  
Yea I was so fuckin' weak  
But now I'm so fucking pissed  
You bitches - I'm fucking tired of this shit

Don't box me in  
'Cause I'm out the box  
You can't box me in  
'Cause I'm out the box  
You won't box me in  
'Cause I'm out the box  
Don't box me in  
'Cause I'm out the box  
Pussies (Pussies)

This time I keep it so real  
I learn from my mistakes  
Can you feel me?  
Next time I'll stick to my guns  
Ya wanna rumble - here I come  
I never run

I get up - stand up and fight  
I'm burnin' and lootin' all night  
No woman - no cry - know why?  
Cuz e'rythings gonna be alright

Just let me do what I gotta do  
You'll never change me  
Can ya feel that?

Let me do me - you do you  
Stay outta my business

Hear dat?

I can't stop rapping you faggot  
You see what happens - it's tragic  
You want war  
You can have it

Don't box me in  
'Cause I'm out the box  
You can't box me in  
'Cause I'm out the box  
You won't box me in  
'Cause I'm out the box  
Don't box me in  
'Cause I'm out the box  
You can't box me in

No I can't live that way  
(Don't box me in)  
No I won't live that way  
(Don't box me in)  
No, I can't live that way  
(Don't box me in)  
No, fuck you  
Pussies

You never say what you wanna say  
You only say what you think they wanna hear  
You never say what you wanna say  
You only say what you think they wanna hear

Ah, fuck you - I'm not your motherfucking slave  
Fuck you - I'm not your motherfucking slave  
Fuck you - I'm not your motherfucking slave  
Fuck you - I fucking hate you

Fuck you!!  
You!!  
Fuck you!!  
Fuck you, you fucking suck

No I can't live that way  
(Don't box me in)  
No I won't live that way  
(Don't box me in)  
No, I can't live that way  
(You won't box me in)  
No, fuck you (I won't live that way)

Fuck you  
Yo, I'm out the box

Fuck you  
Yo, I'm out the box  
Fuck you  
Yeah, I'm out the box  
You can't box me in (so fuck you)  
Pussy, you fucking suck
