There was a time I was dead inside  
You called my name and I'd try to hide  
My heart was dark and so full of shame, full of shame  
But like the dawning of a brand new day  
Your love has chased my shame away  
How amazing now to hear You singing over me, over  
me

Loudly I'll sing, loudly I'll live  
Giving You all I have to give  
Until the world knows the love that's made me so  
alive, I'm alive, I'm alive, yeah

Well every day I find Your mercy new  
And every moment that I spend with You  
I am overwhelmed by grace I can't keep to  
myself, to myself

(Chorus)

Out of my sorrow, out of my night  
You called me into glorious light  
Where all of the lost, lonely and broken  
Find Your light, shine Your Light

(Chorus)
