Pleasure seeker new love reaper
I've heard tell you're quite
A nighttime keeper
Will you ever find the sun
Maybe never in a ten-day run

Painted faces forgotten bootlaces
Ain't it all the same in the
Brand-new places
So we dance between the lights
Taking a chance to make it right -
Make it right

Na na na na na na -- oh oh oh

She's an angel and she loves to
Spread her wings
I'm a stranger here but I love
The song she sings
Heaven knows that I can feel you
And all the ways that you
Come on through
My lady blue

Na na na...
