(Richie Furay)

Thought a girl was a girl and then  
I found myself in love again.  
I've been in love a time or two  
But it never happened like it did with you.  
Do you feel it, too?

Yea, my heart just went for a ride  
Certain feelings you just can't hide  
I thought I knew a thing or two  
About the ways of the girls, ah,  
but not like you.  
Do ya feel it, too?

Please remember how  
I feel about you.  
Let me know right now  
That I'm pleasin' you (I'm pleasin' you)

Please remember how  
I feel about you.  
Let me know right now (let me know)  
That I'm pleasing you (I'm pleasin' you)

Thought a girl was a girl and then  
Found myself in love again.  
I've been in love a time or two  
But it never happened like it did with you.  
Do ya feel it, too?  
Do ya feel it, too?  
Do ya feel it...
