Company's comin'
Come a-runnin'
Company's comin'
Don't you know
Company's comin'
Come a-runnin'
Company's comin'
Here we go

'Long about Saturday night
We'll be here all right
So come on over, here's our chance
To sit it down and strum along
And everybody comes to call
It don't matter at all
If they don't know how to pick a tune
A-rollin' with the girls all night

Company's comin'
Come a-runnin'
Company's comin'
Don't you know
Company's comin'
Come a-runnin'
Company's comin'
Here we go

Look who's got a rockin' chair
I'll bet you five dollars he's there
Fallin' asleep to any beat
He don't seem to even care
Folks come from miles around
Jumpin' up and jumpin' down
Carryin' of carrtin' on
Till the break of dawn

Company's comin'
Come a-runnin'
Company's comin'
Don't you know
Company's comin'

Come a-runnin'
Company's comin'
Here we go
