No, no
Please don't go
Take it easy
Move it slow
Yeah, yeah
Say it ain't so
I got the feelin'
You want me no more
And you say
You've got to run away
Everyday
You think you'll find your way
But it's OK
'Til you find out you've been flyin' solo

No, no
Don't go below
Rise above it
Let it flow
Yeah, yeah
There are seeds you must sow
Grab ahold and don't let go
Take the key
And unlock the door
What's that you see
Another corridor
And there's much more
'Til you find out you've been flyin' solo
Solo.
Have you ever been dreamin'
'Bout the way it could have been
Then you wake up disbelievin'
It's a sin
Oh, but then
You're flyin' solo

Solo
So much to know
Feel the rhythm
Head to toe
I know

We all must grow
But raise the curtain
Before the show
Do you feel
You've been mesmerized
Makin' a deal
To free you from your ties
It's all right
'Til you find out you've been flyin' solo
