I've touched the hem of Your garments  
And I have felt the leading of Your hand  
But today, my eyes look much higher to see the face of  
the great "I am"  
I've touched the hem of Your garments  
And I have felt the leading of Your hand  
But today, my eyes look much higher to see the face of  
the great "I am"  
So more of You Jesus, more of Your face, more of Your  
glory in this place  
More of You Jesus, more of Your face, more of Your  
glory in this place  
I've touched the hem of Your garments  
And I have felt the leading of Your hand  
Oh but today, my eyes look much higher to see the  
face of the great "I am"  
(Chorus)  
I'm longing for more, and more, and more  
More of You Jesus, more of Your face,
