Spellbound
By Poco

There's an easy evening breeze,
Moving softly through the trees,
I feel my head begin to reel,
Can't explain the way i feel,
Now the moonlight is falling around her,
Don't you know that,
Tonight is the night for surrender,
Can't you see it coming down,
She holding you spellbound,
Spellbound,

She got me hanging by a heartbeat,
Burning in the evening heat,
She takes me there and leaves breathless,
Starry eyed, satisfied,
When you're burning the bridges behind you,
Don't you know that,
Smoke can begin to blind you,
Can't you see it coming down,
She's holding you spellbound,
Spellbound

Now the moonlight is falling around her,
Don't you know that,
Tonight is the night for surrender,
Can't you see it coming down,

She holding you spellbound,
Spellbound,

She's holding on to me
She's holding on it's true
She's holding on,
She won't let go,
Spellbound
And she won't let go
Spellbound
