You are welcome Lord of Lords
You are welcome King of Kings
You are welcome Lord of Hosts
You are welcome Prince of Peace
Your children dance before You
Oh, we lift Your song to You
This is our deepest heart cry
It is You we long to see
Open hearts, burn for You
Outstretched hands reach for You
We reach for You

Â

You are welcome here
You are welcome here
You are welcome here
Mighty God
You are welcome here
You are welcome here
You are welcome here
Mighty God

You are welcome Lord of Lords
You are welcome King of Kings
You are welcome Lord of Hosts
You are welcome Prince of Peace
Your children dance before You
Lord, we lift this song to You
It is our deepest heart cry
It is You we long to see
Open hearts burn for You
Outstretched hands reach for You
We reach for You

(Chorus)

Open hearts burn for You
Outstretched hands reach for You
Lord in my heart there is a hunger
In my heart there is a fire
Lord down in me is a burning desire
It is You I wanna know, it's You I want to see
Come walk and come talk, come dwell with me
(Chorus)
