### "Under The Gun"

Now and then you see me falling, way behind the  
things I need to do  
Don't you believe I've missed my calling, I'm just the  
one to play your fool

Chorus:

Under the gun, under the gun, I'm down and crawlin'  
like I've never done  
Under the gun, under the gun, standing in my own way  
and nowhere to run

Waited so long it felt like a lifetime and looking up just  
seemed so far away  
Between these walls I live on the bottom line  
It's just enough to get me through the day

(chorus)

(Solo)

Now and then you see me falling, way behind the  
things I need to do  
Don't you believe I've missed my calling, I'm just the  
one to play your fool

(chorus repeats 2x)
