There's a ribbon wrapped around your heart  
A tender moment sparks against the dark  
Pieces so faithfully fall one by one  
When You Love Someone  
When You Love Someone

Promises we'd break along the way  
Well sometimes darlin', that's the price we pay  
But all of those unspoken screams  
Just fade away  
When You Love Someone  
When You Love Someone

Hey what's it do to you  
When someone loves you too  
Is that happiness always gonna stand by you  
If you love someone

REPEAT FIRST VERSE
