Get on the floor [3x]

Here we go [2x]
Everybody on the floor
Hands up, turn it up
Feel the fire, feel the heat
Shake that booty to the beat
Get on the floor [2x]
Whatcha waiting for?
[2x]

Turn it up, the music's on the move
Just let your body feel the groove
You know the fever's rising high

Too long you waited for that day
This time I'm gonna make you stay
Tonight is gonna be the night

Get on the floor, what you waiting for
Move your feet and make it hardcore
Just take it for sure
Give us some more
Get on the floor, what you waiting for
Move your feet and make it hardcore
It's time to ignore
Give us some more

Here we go [2x]
Everybody on the floor
Hands up, turn it up
Feel the fire, feel the heat
Shake that booty to the beat
Get on the floor [2x]
Whatcha waiting for?

Turn it up, the music's on the move
Just let your body feel the groove
You know the fever's rising high

Too long you waited for that day
This time I'm gonna make you stay

Tonight is gonna be the night

Get on the floor, what you waiting for
Move your feet and make it hardcore
Just take it for sure
Give us some more
Get on the floor, what you waiting for
Move your feet and make it hardcore
It's time to ignore
Give us some more
Here we go

Jump, jump
Get on the floor, what you waiting for
Move your feet and make it hardcore
Just take it for sure
Give us some more
Get on the floor

Jump, jump
Uh

Get on the floor
