When I get out of bed  
(You know I miss You)  
When I ride in my car  
(You know I miss you)  
In a traffic jam  
(You know I miss you)  
All the way 'round town  
(Yeah 'cause know I miss you)  
Sit starin' at work  
(You know I miss you)  
Yeah all day it hurts, because they left me  
And I go out get drunk  
(You know I miss you)  
Come home pass out  
(Yeah because know I miss you)

Chorus:  
I say a prayer for you to come back  
(to come back)  
For you to come back (yeah!)

Like a motherless child  
(You know I miss you)  
Like a junkie strung out  
(You know I miss you)  
I hit the wall all night  
(Because I miss you)  
Til the lights go out  
(Yeah because I miss you)  
Like a preacher without the congregation  
Like a rebel wondering where the wave went  
Unlike you, I've never been patient  
Times standing still  
(Because I miss you)

You know I miss you x2  
Because I miss you  
Yeah because I miss you

Chorus

Yeah because I miss you
