Call it Love  
by Poco  
We've got all night  
Let's take our time  
Tell me your secrets  
I'll tell you mine  
When it makes us feel better  
Call it love  
You say you won't  
I say you will  
You make me crazy  
But I want you still  
When it makes us feel better  
Call it love  
Do we tell the truth  
Or do we live a lie  
Is the feeling good  
Is that what makes you cry  
When you say those words  
Look me in the eye  
Tell me why  
You call it love  
I play my hand  
You call my bluff  
We push each other  
'Til we've had enough  
When it's all you've got

Call it love  
If I didn't have money  
Would you want me still  
When you look real close  
Do we fit the bill  
Call it what you want  
But only time will tell  
Do we tell the truth  
Or do we live a lie  
Is the feeling good  
Is that what makes you cry  
When you say those words  
Look me in the eye  
Tell me why

You call it love  
We've got all night  
Let's take our time  
Tell me your secrets  
I'll tell you mine  
When it makes us feel better  
Call it love
