Company's comin'  
Come a-runnin'  
Company's comin'  
Don't you know  
Company's comin'  
Come a-runnin'  
Company's comin'  
Here we go

'Long about Saturday night  
We'll be here all right  
So come on over, here's our chance  
To sit it down and strum along  
And everybody comes to call  
It don't matter at all  
If they don't know how to pick a tune  
A-rollin' with the girls all night

Company's comin'  
Come a-runnin'  
Company's comin'  
Don't you know  
Company's comin'  
Come a-runnin'  
Company's comin'  
Here we go

Look who's got a rockin' chair  
I'll bet you five dollars he's there  
Fallin' asleep to any beat  
He don't seem to even care  
Folks come from miles around  
Jumpin' up and jumpin' down  
Carryin' of carrtin' on  
Till the break of dawn

Company's comin'  
Come a-runnin'  
Company's comin'  
Don't you know  
Company's comin'  
Come a-runnin'

Company's comin'  
Here we go
