I got a feeling about you love, who's been fooling who  
Crazy eyes, I been a foolin' you  
You sing songs about brass buttons and your shiny  
silver shoes  
Crazy eyes what had you to lose

Down among the South Carolina pines you spent  
Most of your lifetime in deep thought  
Then changes come about and you find the time you  
spent  
Wasn't quite a reason for being bought

So now to be or not to be is the question now  
Crazy eyes, don't you forget how  
'Cause I'm used to seeing your face in the crowd  
You thought you saw me  
Crazy eyes blind as you can be

Down among the South Carolina pines you spent  
Most of your lifetime in deep thought  
Then changes come about and you find the time you  
spent  
Wasn't quite a reason for being bought

Crazy eyes

So now to be or not to be is the question now  
Hey, don't you forget how  
'Cause I'm used to seeing your face in the crowd  
And you thought you saw me  
Crazy eyes, you're blind as you can be

Down among the South Carolina pines you spent  
Most of your life
