Thought a girl was a girl and then  
I found myself in love again  
Yes, I've been in love a time or two  
But it never happened like it did with you  
Do you feel it, too?

Yeah, my heart just went for, for a ride  
Certain feelings you just can't hide  
I thought I knew a thing or two  
About the ways of the girls, ah

But not like you  
Baby, do you feel it, too?

Please remember how  
I feel about you  
Let me know right now  
That I'm pleasing you

Thought a girl was a girl and then  
I found myself in love again  
Yes, I've been in love a time or two  
But it never happened like it did with you  
Do you feel it, too?
