Here I sit with like  
The day has got no hours  
I feel it kinda easy, tho' 'cause I'm lazy  
It's a good day for showers  
So, don't worry whatever  
I might do, no hurry,  
For I've been a telling you I'm feeling just fine.  
And I really couldn't care less this time  
How many more will there be?  
Hurry up now tell me.  
Patience is a virtue  
As rewarding as a new love in spring  
But suddenly forgotten when a man  
Gets caught in his own dream  
Outspoken faces again beware  
The token of wine in a glass  
Could dare you just enough  
Who's joking? And when should I call your bluff?  
How many more will there be?  
Hurry up now tell me
