"Under The Gun"

Visit "[Under The Gun](#)" on MotoLyrics.com

Now and then you see me falling, way behind the
things I need to do
Don't you believe I've missed my calling, I'm just the
one to play your fool

Chorus:

Under the gun, under the gun, I'm down and crawlin'
like I've never done
Under the gun, under the gun, standing in my own way
and nowhere to run

Waited so long it felt like a lifetime and looking up just
seemed so far away
Between these walls I live on the bottom line
It's just enough to get me through the day

(chorus)

(Solo)

Now and then you see me falling, way behind the
things I need to do
Don't you believe I've missed my calling, I'm just the
one to play your fool

(chorus repeats 2x)
