"When You Love Somebody"

Visit "[When You Love Somebody](#)" on MotoLyrics.com

There's a ribbon wrapped around your heart
A tender moment sparks against the dark
Pieces so faithfully fall one by one
When You Love Someone
When You Love Someone

Promises we'd break along the way
Well sometimes darlin', that's the price we pay
But all of those unspoken screams
Just fade away
When You Love Someone
When You Love Someone
Hey what's it do to you
When someone loves you too
Is that happiness always gonna stand by you
If you love someone

REPEAT FIRST VERSE
