Devoted devoted so

Devoted devoted yeah devoted

Comfort zone, I've found peace now life is you.

Found my home, with this ring I'll love you true.

You're the one, you mean all the world to me.

And I pledge this heart to you.

Cherish the day this love we found.

(Devoted to you)

Treasure the moment when we said I do.

One kiss, one heart, we're heaven bound.

(Devoted to you)

Blessed the gift of love eternal.

God bless the day this love we found.

(Devoted to you)

Cherish the times when you and I are two.

Two hearts together, heaven bound.

(Devoted to you)

Blessed the gift of love eternal.

Just me and you.

Devoted to you.

Devoted to you.

It's just me and you.

...Devoted to you.
