Late at night, driving back
The radio is hot with the things I play
I'm speeding up, cause I wanna be home for the break
up day
Sights tell me to stop at the highway run for a special
feeling
I just need a drink and that's where I saw you looking at
me

You're not far away,
A few steps to take
Gotta admit I gotta say
You've got the flavor I like, I like, I like, I like and I
I think I wanna make you my own
The flavor I like, I like, I like
And I think I wanna have you, wanna make you my own
Like, like, like, I, I, I, I,

You've got me hypnotized with your eyes
I'm so in love with you
Let the games begin I'ma bring it on
All you fellows better beware

Let me be the one, really fun
,get it down
Baby let me, to you, yeah
Let me yours and we'll go away
Stick with you forever till the end of days
I won't stop until you're all mine

You're not far away,
A few steps to take
Gotta admit I gotta say
You've got the flavor I like, I like, I like, I like and I
I think I wanna make you my own
The flavor I like, I like, I like
And I think I wanna have you, wanna make you my own
Like, like, like, I, I, I, I, whoa
I, I, I, I, whoa, I, I, I, I,

Even when my eyes don't see ya
I can smell you miles away

,I wanna hold you, are you ready for a tease
You know I'm here to,
I'll take you high away up higher
I'll take you high away up higher
I'ma satisfy your needs
You've got the flavor I like, I like, I like, I like and I
I think I wanna make you my own
The flavor I like, I like, I like
And I think I wanna have you, wanna make you my own
Like, like, like, I, I, I, I, whoa
I, I, I, I, whoa, I, I, I, I.
