Today I feel so alive
Better than I ever did before
It must be a good day to die
Cause lately I can't seem to get enough

And if I could, you know I would

Damn good day to die
Damn good day to die
Damn good
Damn good day

Today I feel so fine
Better than I ever did before
It's got to be a good day to die
I do believe I found me a new love
And if I could, you know I would
Because it feels good

Damn good day to die

Everything is wonderful
Everything is wonderful
Everything's so beautiful
Everthing is beautiful

Damn good day to die
