"I'll Never Be The Same"

Oh I had to go, go and search my soul
I took a road less traveled
And here I am again wishin' I had a friend
Now that my world is unraveled

You are the needle in my vain
You are the sun, you are the rain
Happiness and pain
I'll never be the same

Oh I had to go, go and find my soul
Down this road that i've traveled
And here we are again
Just like we were back when
Our love sparkled and dazzled
You are the needle in my vain
You are the sun, you are the rain
Happiness and pain
I'll never be the same

Oh, I will never be the same
