You consider me the young apprentice  
Caught between the Scylla and Charibdes  
Hypnotized by you if I should linger  
Staring at the ring around your finger  
I have only come here seeking knowledge  
Things they would not teach me of in college  
I can see the destiny you sold turned into a shining  
band of gold

And I'll be wrapped around your finger  
I'll be wrapped around your finger

Mephistopheles is not your name, I know what you're up  
to just the same  
I will listen hard to your tuition and you will see it come  
to its fruition

And I'll be wrapped around your finger  
I'll be wrapped around your finger

Devil and the deep blue sea behind me  
Vanish in the air, you'll never find me  
I will turn your face to alabaster  
Then you'll find your servant is your master

And you'll be wrapped around my finger  
You'll be wrapped around my finger, you'll be wrapped  
around my finger
