feat. The Screwed Up Click

[Everybody talking]

Man it's about five in the motherfuckin' morning (Ha, ha, ha)

And a nigga can't sleep (Ha, ha, ha), ya know what I'm sayin'

I'm thirsty than a bitch, what's the deal

Shit I'm bout to call up my bitch in the paint

See what she up to, know what I'm sayin'

Pull over and see what's the deal, know what I'm sayin'

Nineteen ninety motherfuckin' nine (Nineteen ninety nine)

Nineteen ninety nine, can't you see, nineteen ninety nine

(The whole Screwed Up Family) third coast, H-Town

Texas ballers (Real G's hook it up)

Got my money on my mind (Cause we down south)

[Hook]

We got our mind on our money, money on our mind

Screwed Up Click for life and ya know we put it down

We got our mind on our money, money on our mind

Finger on our trigga nigga, hand on our nine

[DJ Screw]

I gotta thinkin' that I'm makin money all day

And to my niggas that know, we all ball this way

Never ever set trippin' got love for G's

Pimpin' on my nigga, rise up of these

I broke em' off in 92 schools, shit on the under

96, 97 gotta trunk full of thunder

All screwed up, pausin' music in the streets

And got the Feds kickin' down doors searchin' for the cheese

Down south, black Jeeps slangin' dope ass tapes

Chopin' up records, spittin' game in the brace

Outsiders lookin' in tryin' to see what I'm doin'

I'm inside lookin' out now they plan is ruined

Police takin' pictures of the crib yellin' ""Drugs sold""

100,000 sold, what the fuck I need drug fo'

DJ Screw, independent in this game
Sippin' Cogn with my niggas, ain't a damn thang
changed

[Hook x2]
