I feel empty as darkness all around  
Feel I lost my way  
As I fall to the ground

\*Dj Styles\*

I feel sorrow as if I lost it all  
I'd always turn around if you should call  
And you know I will surrender  
Cause I can't be a pretender no...  
Not when it comes to loving you

And they say time is a healer  
And now as just a stealer know  
I don't want to forgive you

\*Dj Styles In the Mix 2006\*

Music is the vibe  
So open up your eyes  
Time is running out  
So find the feeling...

Why don't somebody send me an angel to guide me  
through  
Now that I'm lost and on my own  
AnD I don't longer have you  
Send me an angel  
To watch over me...  
And turn the night back into light  
RESCUE ME...  
Rescue me...  
HEEY...  
Send me an angel

Think about the way that will live today  
Think about the way how some people play  
Think about the way that will live today  
Think about the way (6x)  
That we live today (2x)  
Think about (2x) Think about the way

My heart is scattered to bits and pieces now  
I threw it all away now I just wonder how  
I feel naked standing in front of u  
Should always know what to say and just what to do  
YEAHH!

(Repeat second stanza)

(Repeat the third stanza)
