In the blue

I'm thinking of you

Oh, I was a fool

to let you walk away.. (walk away)

Tears in my eyes today

make my world the color of blue

Red with a twist

Orange of fire

Green of tourmaline

Yellow mellow hello, hello

Paint me a smile

I'm covered and colored with one, only one...

'Cause baby I'm alone,

alone without you

What am I supposed to do?

I'm alone, alone without you

and the color blue

In the blue

I'm thinking of you

Oh, I was a fool

to let you walk away

Tears in my eyes today

make my world

the color of blue
