I live at the end of a 5 and 1/2 minute hallway
But as far as I can see you are still miles from me
In your doorway

And oh by the way
When the landlord came today
He measured everything
I knew he'd get it wrong
But I just played along
'Cause I was hoping that would solve it all

But there's only so far I can go
When you're living in a hallway that keeps growing
I think to myself
5 more minutes and I'll be there

Inside your door
But there's more to this story
Than I have exposed
There are words made of letters
Unwritten
And yes I forgive you
For leading me on

You can think of it like this
When you can't resist
I'm in your hallway standing on a cliff
And just when I think I've found the trick
I'm tumbling
Like an echo

'Cause there's only so far I can go
When you're living in a hallway that keeps growing
I think to myself
30 seconds and I'll be there

Daughter:
You never listen to me

Father:
We cannot really experiment with love as freely as we
wish

It is really a much more complicated topic
