When I was a kid,
I was older than everyone.
When I was a kid,
I could it make it easier,
Easier on everyone,
And anything at all.

Before I was a girl,
Well I could be anyone,
Magician or a physicist,
A Doctor Strangelove too.

Yeah I could be anyone,
Hell I could even be you.

Before you were a boy,
You told me everything,
Nothing in your closet,
Bad enough too keep you,
All alone,
If you could be anyone,
Or anything at all.
And once you deceive me,
I close my eyes,
I could not see.
You wouldn't believe me,
So I look in deep,
'Cause I know I see.

I see you there
I see you there
I see you there
I see you there

I'll see you there
I'll see you there
I'll see you there (Anytime)
I'll see you there (Anytime)
I'll see you there (Anytime at all)
