There's a broken beam inside of the big big bridge  
I guess that whole thing is caving in  
Maybe it is time I learn how to swim  
I'll be a dolphin, I'll be a dolphin

Sometimes I think I'm breaking down  
And other times I think that I'm fine  
But something got into my engine  
It slowed me down  
Now I gotta turn this whole thing around

I'm gonna be a dolphin  
Gonna be a dolphin  
I'm gonna be a dolphin  
Gonna be a dolphin

There's not a lot I believe anymore  
I mistrust everything I had been longing for  
There's not a lot that I know anymore  
But I know if good bridge is burning

You gotta be a dolphin...You gotta be a dolphin  
You gotta be a dolphin...You gotta be a dolphin

Sometimes I think you're crazy and sick  
And other time I think you're so fine  
But I know I'm in dange 'cause you feel like a stranger  
And I know that something's going give

When I dive into that ocean  
God I hope I don't sink like a stone -- no  
I'm gonna move like a dolphin  
There may be a lot I don't know about you  
But I know if I don't swim  
I'm already drowning  
'Cause a broken bridge  
Is a broken bridge  
So I swim to you now  
Here I come...Here I come  
Here I come...Here I come  
I'll be a dolphin

There's a broken beam inside of the big big bridge  
I guess that this time I'll have swim (I'll swim...)
