Intro : call to mother

[Ring.]

[Ring.]

[Ring.]

Mother's answering machine: HELLO. NOBODY'S HOME.

LEAVE A MESSAGE AFTER THE

BEEP, AND SOMEBODY'LL GET BACK TO YOU.

[Beep.]

I thought you should know

Daddy died today

He closed his eyes and he left here

At 12:03

He sends his love

He wanted you to know

He isn't holding a grudge

And if you are you should let go

(Speaking) Are you there? Pick up. Pick up,

Please. Mom? Hello?
