Well it's 3 a.m. I'm out here riding again  
Through the wicked winding streets of my world  
I make a wrong turn brake it now I'm too far gone  
I got a siren on my tail and that ain't  
The fine I'm looking for

I see a stairway so I follow it down  
Into the belly of a whale  
Where my secrets echo all around  
You know me now but to do better than that  
You've got to follow me  
Boy I'm tryin' to show you where I'm at

Hey pretty  
Don't you wanna take a ride with me?  
Through my world  
Hey pretty  
Don't you wanna kick and slide  
Through my world?

NOW I I've got a mind full of wicked designs  
I've got a non-stop hole in my head--imagination  
I'm in a building that has two thousand floors  
and when they all fall down  
I think you know it's you they're fallin' for  
I can't forget I am a sole architect  
I built the shadows here  
I built the GROWLIN' voice I fear  
You add it up but to do better than that  
You've got to follow me  
Boy I'm tryin' to show you where I'm at

Hey pretty  
Don't you wanna take a ride with me?  
Through my world  
Hey pretty  
Don't you wanna kick and slide  
Through my world?  
Hey pretty  
My pretty baby  
Rockin' through my world  
(my world)

Hey pretty  
(HEY PRETTY)  
my pretty baby  
Rockin' through my world  
(my world)

Hey now  
Can't you feel me longing?  
(Do you get the gist of this song now?)  
Hey now  
Can't you feel me?  
Feel me

Hey pretty...{Hey pretty}  
{My pretty baby}  
Hey pretty baby  
DON'T YOU wanna take a ride with me?  
DON'T YOU WANNA TAKE A RIDE WITH ME?  
(my baby)  
DON'T YOU WANNA TAKE A RIDE WITH ME?  
(my baby)  
MY PRETTY BABY  
DON'T YOU WANNA...  
...ROCKIN' THROUGH MY WORLD  
DON'T YOU WANNA TAKE A RIDE WITH ME?  
(my baby)  
DON'T YOU WANNA...  
DON'T YOU WANNA TAKE A RIDE WITH ME?
