Spanish schoolteacher (?): I CALL THIS SONG "LEMON MERINGUE".

HUH, THAT WAS A BAD JOKE, EH? AT LEAST, THIS WILL BE A GOOD SONG.

Hold on you've gotta wait just a minute  
See the cookie jar  
I've got my hand caught in it  
Just let me try and explain

You know I've been a good girl  
But I hit a limit  
I know there's not a lot of logic in it  
But my life's been feeling to me

(Like lemon)  
Sometimes it tastes so bitter  
(Like lemon)  
I've gotta make it sweeter...HEY...

Stop right there before I get bitter  
(Bitter)  
THERE'S GOT TO BE A BETTER WAY  
There's got to be a way to make it sweeter  
(Sweeter)  
A little more like lemon meringue

So the other day well I found me a lover  
Had a little hustle under the covers  
It was delicious to me  
Can't you see me there  
Daydreaming of our future?  
OH MY GOD I painted such a pretty picture  
But my prince he never got back to me

(Like lemon)  
Sometimes it tastes so bitter  
(Like lemon)  
I've got to make it sweeter...HEY...

Stop right there before I get bitter  
(Bitter)

THERE'S GOT TO BE A BETTER WAY  
There's got to be a way to make it sweeter  
(Sweeter)  
A little more like lemon meringue  
(LIKE LEMON)  
LIKE LEMON

STOP RIGHT THERE BEFORE I GET BITTER  
(BITTER)  
THERE'S GOT TO BE A BETTER WAY  
THERE'S GOT TO BE A WAY TO MAKE IT SWEETER  
(SWEETER)  
A LITTLE MORE LIKE LEMON MERINGUE  
(BITTER)  
(SWEETER)  
(LIKE LEMON)  
(SWEETER)  
(BITTER)  
(LIKE LEMON)  
THERE'S GOT TO BE A WAY TO MAKE IT SWEETER  
(SWEETER)  
A LITTLE MORE LIKE LEMON MERINGUE

Father:

It is November 6th. We are in Madrid, Spain, and  
It is a very, very important day  
To celebrate it Anne will sing a song.  
[Several changes in father's text.]
