Not a virgin

I'm not a virgin anymore
I just thought you should know
Darlin' I've been around
Yeah, I've been up and down your block
In fact I have been all over town
Down by the lake
And underneath the table in my living room
OUSTIDE with the blue blue moon

You can call me what you will
Call me a slut call me a jaded pill
Darlin' I've got your number now
[No "But"]
I'm not a virgin anymore

OH I've been taken
I've been hung up
I get down and start it over again
I've been open
And I've been closed like a book
And burned down like a written sin
I just thought you should know my darling
Before we begin
I'm not a virgin anymore

Just thought you should know
Before you let another lie
GET through YOUR crooked little teeth
I don't think you wanna start that shit with me

Much better yet
OH tell me something dangerous and true
Oh yeah that looks much sexier on you

Careful what it is you say
'Cause I can see right through you
On a cloudy day
And darlin' I think you wanna play
I'm not a virgin anymore

OH I've been taken
I've been hung up
I get down and start it over again
I've been open
And I've been closed like a book
And burned down like a written sin
I just thought you should know my darling
So if you wanna play dirty darling I'm gonna win
I'm not a virgin anymore

UH-UH
UH-UH
UH-UH

Been there done that
Say what?
Get the hang of it
Get screwed
I screw you I had a whole lot of fun with it
I've had enough now so you better take a bow
It's gonna be a new experience if you wanna play
With me

Daisy chains and
Maryjanes
Fairy tales
[No "happy ending"]
Cannot fool me now

(Speaking) I just thought you should know
Man: We're not like that you know.
(Speaking) Yeah right! Whatever!

OH I've been taken
(Taken)
I've been hung up
I get down and start it over again
I've been open
And I've been closed like a book
And burned down like a written sin

Hell I've been divided
Out of my mind and reinvented again
I've been ignited and then uninvited
So honey
You break it up I'm gonna
Put it back together again

I just thought you should know my darling
Before we begin

I'm not a virgin anymore

Mother: Sir, I'm sorry...I'm sorry.

(Speaking) Do you get the gist of the song now?
