"I'm sorry, the number you have dialed has been disconnected"

Are you afraid of love?
Are you afraid of me?
Are you afraid of love?
Is that why you retreat?
Are you afraid of me?

Angel calling the angels here
Angels calling the angels here
Angels calling the angels here
Are you an angel too?
(Party has been disconnected)
Are you?
'Cause I would love but nobody's home

Are you afraid of love?
Are you afraid of memory?
Are you afraid of what you cannot see?
Are you afraid of love?
Are you afraid of me?
Are you afraid of being free?

Angels calling the angels here
(I'm sorry, this number has been disconnected)
Angels calling the angels here
Angels calling the angels here
Are you an angel too?
Are you?
(I'm sorry, this number has been disconnected)
'Cause I would love but nobody's home

It's midnight
And I'm howling at the moon
Oh, it's midnight
And I'm howling for you

Are you afraid of love?
Are you afraid of love?
Angels calling the angels here
Angels calling the angels here

Angels calling the angels here
'Cause I want love but nobody's home

It's midnight
It's midnight
