Standing in the doorway  
Of my life in this house  
Trying to find a way to get out.  
Looking for a sign  
That I should open the door.  
This craziness is getting me down

But today is the day we break free

Walking down the stairway  
To the traffic below.  
Anything could happen  
I know.  
But I'm sick of everybody  
Telling me what to do  
I hear you  
Hey but I already know

And Today is the day we break free

Chorus:  
It's clear in my mind  
After all of this time  
What I feel  
My love  
There are so many times  
That the sun doesn't shine  
But I'm here  
My love

And Today is the day.

Maybe I should wait  
Just a minute or two  
It's getting cold now  
I feel so insecure

The future is a mistress  
That is so hard to please  
And the past  
Is a pebble in my shoe

But today is the day we break free

Chorus
